

The Corporation of the Township of Mapleton

The Municipality invites applications for the position of
EQUIPMENT OPERATORS – PUBLIC WORKS DEPARTMENT

Four (4) Positions Available

The successful candidates will be responsible for delivering year round council approved departmental services to the community, including but not limited to winter control road operations within the Township of Mapleton. Work will include but is not limited to the operation of small and large equipment including tandem axle dump trucks with combination plow/wing for winter road maintenance activities involving plowing, sanding, salting and snow and ice removal. Road maintenance duties including cold/hot asphalt patching, roadside debris removal, road patrolling and inspections, road grading and resurfacing, tree cutting, sidewalk and boulevard maintenance, and various other road maintenance activities and duties relevant to municipal public works services.

Water and Wastewater licensing through Ontario Water Wastewater Certification Office (OWWCO) will be considered an asset.

The successful candidates will be mechanically inclined and hold a valid DZ drivers' license, a clean drivers abstract (copy must be provided by applicant), and possess working knowledge of road building requirements and all relevant standards, policies and legislation supported by two years' experience in road operations and use of related road building equipment. Ability to operate a road grader will be considered an asset.

Hourly Range of Pay: \$22.90 - \$26.94 (2019 rate)

There are four positions available.

These are full time positions working 42 hours per week.
Winter shifts and on-call rotation will be a requirement.

To Apply:

Submit your resume no later than 4:00 p.m. on Thursday November 7, 2019 in an envelope marked "Equipment Operator" to:
